John Mitchell's Creed

Written by Himself

Serious, yet absorbingly interesting, for the reader knows at once that there is a man speaking —a man of deep feeling, strong intelligence, and native honesty. And he is speaking on matters that concern us and our children, our country and its future.

The article answers the very questions that intelligent readers would like to put to John Mitchell. It has, besides, the interest of autobiography, so clearly and vividly does the man himself appear in this frank statement. This quality alone would make it a notable article. It appears in
